Our Agents in Charleston. e Edvertising Agency of Messrs er Evans & Cogawell, represented bayell T. Logam, Esq., is the only cized Agency for this paper in eston.

e respect very much to learn that Mr. Franklin, Engineer at the steam-

mill of Holmes & Prescott, was, on Thursday last, thrown from his horse, receiving such serious injuries that he died on Saturday following. you a lineto day, and have it ready for the mails of the first returning steamer. great scene of hurry, bustle and emo-Depreture of a Popular Citizen. tion. To see the many passengers and ong fellow-citizen, Major S.

their many friends taking leave of each S. Tompkins, has departed from among other, was indeed an affecting sight—esus and set up his rest in Augusta, as a. General Agent of the Brooklyn Life Instranger among strangers. One friend, anrance Company, of New York. Whilehowever, generously came on board to in common with our whole community, shake my hand and bid me God-speed deeply regretting the departure of Major "our" Mr. Frank Harral. Tompkins, we have the sincerest wishes New York bay is very beautiful, and for a couple of hours after starting, all for his success. His education his experience, his strong practical sonse, and his unblemished probity, all fit him emion board were lost in contemplation of the grandeur of the scene. As the las nently for the work he now enters upon. glimpses of the blue highlands of Nave-And both in Augusta and throughout his circuit, all who meet Major T., or are sink faded gradually away and the shores of Long Island finally disappearsought by him, may feel assured that ed. we gazed somewhat "spoonity" on they deal with a gentleman whose antethe speek of land we were leaving, thinks cedents entitle him to the highest conmight not occur before we next set eye

Pemble's English Turnip Seed. A part from cotton, perhaps, nothing could be of mere interest to our people just now than the Turnip question. And in this connection we would point them to the card of Mr. Pemble in another column-Mr. Pemble the well-known and enterprising Seedsman of Augusta. And mind what he says about the Des-criptive Catalogues.

Judge Carpenter returns on Tuesday next for equity brisiness. Public Documents.

Congressman R. B. Elliott has very courteously sent us a batch of Pub. Docs. of interest, and particularly valuable for future reference. He will accept our thanks for his thoughtful remembrance, with the assurance that his favors are duly appreciated. Clears his own Skirts.

In another column Mr. A. Ramsay Clerk of the Court, makes a full, and we think candid, statement as to his connection with the late Jury irregularities and clearly shows that neither he nor Sheriff Wall were in anywise responsible for the failure to draw the Juries. See his card on another column.

For four or five days past, the weather has been not only dry, but decidedly cool. The farmers are fighting, bleeding, many of them dying, with the grass Day labor is in tremendous demand, and wages therefor have gone up to a figure that is simply absurd.

The Ward Farm Gate. The admirable engraving of the " Ward Gate," as published in this issue, is from a cut lately forwarded to us by Capt. Richard Ward, accompanied by the ex-cellent instructions thereto attached. This cut belongs to Evans, Walker & Cogswell, of Charleston; and to them, through Capt. Ward, the public are indebted for the loan of it. The inventor this the best method of response. Place this copy of the Advertiser aside, and when you want a new Gate, build it ac cording to Capt. Ward's directions, and you will have a good Gate, and one that vill last a life time.

Jimmie G. says a rusty pistol don't shoot rabbits worth a cent. He ame to this conclusion last Thursday, then he took a level crack at a hold buck abbit, whilst "bob tail" was stealthily depredating on the vegetable garden. The "hole where the rabbit went through," was found without difficulty. -but the bullet-hole through Jim's second finger will probably leave an now wears his finger in a sling-but his sweetheart sympathizes with him, and he is comparatively happy.

Columbia Female College. Through the courtesy of our fair and amiable young friend, Miss Rosa L. Addisou, a pupil of the institution, we have received an invitation to attend the Comnencement of the Columbia Fetnale College, on the 24th and 25th inst. We return our kindest thanks.

A colored barber-who lives and abors under the euphonious and nomadic comenciature of Bill Jones, pure and simple—has opened a tonsorial saloon next adjoining the office of the County reasurer; and whilst McDevitt's custoners invariably leave his office ejaculaing the most bifter "cuss words," and to be seen two objects of graet interest with the exact feeling and experience of to Americans—a couple of flags—one n unfortunate victim of a lawless band f highwaying .- Bill Jones's delighted at the battle of Bunker Hill; the other atrons arise from Bill's topserial touches the highest state of accommidation. nd with blessings on William's head. ness; the other won't, not by if d-d all events, only rivated by that of Paris, sight. From Our European Correspondent. | When and Where to Spend the From our esteemed towsman, Mr. M A. Markert, now in Italy we presume we have received the following letters We hope he will continue to write: On BOARD THE EGYPT,
Atlantic Ocean
May 19th 1873

Dear Advertiser Sailing from New
York on the 10th inst., this is our ninth

Our departure from New York was

Up to this time our passage has been

an average one of smooth and rough. Of

had but about forty-eight hours. This

caused much sea-sickness, and upon all

effeomfortable and happy homes to try

the pleasures of the treatherous deep. I heard an old gentleman ask his wife

why she left home, to which she, wo-

man-like, responded with axactly the

same question. And then the old gen-fleman grouned out: "Well, weard both

old fools to leave our comfortable hom

to be pitched and tossed about on the

sea, and call it pleasure." And, truth to

traveler, and would much rather, just

then, have been on my way from Pine

The chief amusemer on board the

Egypt is to eat. Most people consume

twice as much on sea as on land. Our

fare is very fine. We all keep on deck

most of the time when we are not eating,

and then we read, chat, promenade an

play at various games. On Saturday last

the officers fixed up a pavilion on deck,

Smith, the celebrated actor, took a prom-

ment part. On Sunday we had service

in the saloon and all on board joined in oly worship. The services were con-

livine, whose remarks were appropriate and impressive. A nong my fellow pas-

engers is the Rev. James Woodrow of

Columbia, S. C., formerly a Professor in

the University, but now a Professor of

the Presbyterian Theological Seminary

learning, whose acquaintance I have been

very happy to make. Prof. Woodrow is

Listall probably write, you next from London. With Kindest remembrances to all at home Lan Yours etc.

pool on the morning of the 21st inst .-

safe and sound from all the perils of the

great deep! Liverpool is the largest sea-

port perhaps of the globe-the chief cen-

tre, it would seem, of the trade and com-

merce of the whole world. The magnifi-

shipping lying in them are the over-

shadowing features of this busy city.

These Docks are far the most stupendous

and costly in the world They extend

All this is rendered necessary by the

immense height and depth to which the

tides here rise and fall-eighteen to thir-

ty feet, compared to five and eight in

the gates is only less massive than the

Docks themselves -- partly hand and part-

never opened except within about two

From Liverpool I came to Chester, on the

river Dee, one of the oldest and most in-

teresting cities in England, figuring in

history from and before the time of the

which is some 700 or 800 years old, are

carried by the Cheshire (22nd) Regiment

Arriving in London on the 23d inst

I took lodgings in a central part of the

city, from which, by means of the Cabs.

I can traverse the great metropolis with

ttle or no trouble. The Cab system of

ordon'is the best in the world, or, at

father than a short walk; and therefore

I shall be off for Paris in a few days,

and from there shall go to Italy, proba-

my friends at home, who, I earnestly

M. A. M.

A gentleman who passed along the

Ridge a day or two age one who knows a thing or two about such matters—tells

us that that favored region is hopelessly

ost in the grass. Says he to us, "It is

out, poisoned, ruined." And then he

tells this good joke. An old gentleman,

not belonging to the immediate neigh-

orhood, exclaimed at Batesville the

ther day: "Where in the round world

re all these Holsteins?" And being in-

formed that they were all at home and

vell, he made a noise between a grunt

and a whistle, and said he thought, from

the looks of their crops, that they had

all moved to the West. Our informan

reports Capt. Tom. Bates's crop as the

only clean one. Now we also knew some-

thing of these Ridge people. Otherwise

we would not tell this tale. And we

now that they will certainly get out of

this grass, and make more cotton, as

House people to embellish the margin
